Lunch, Learn & Connect: Perspective Taking

Finding research team members with whom to develop unusual collaborations is not easy, and experience teaches us that it takes time and effort to build creative, fruitful and joyous **interdisciplinary collaborations**. In this online Lunch, Learn & Connect on 15 September 12.30-13.15, we will share some of our key lessons and offer the opportunity to practice the difficult exercise that is called 'perspective taking'.

More information & link to meeting →

Call Preventive Health

This call for project proposals aims to accelerate research focused on Preventive Health and to facilitate and financially support interdisciplinary collaborations between the four alliance institutions. The grants are intended for projects aimed at conducting preliminary research in order to be able to apply for a larger grant application or for activities to support the preparation of such a grant application. Application deadline is **21 October**.

Transition Makers Toolbox

The Transition makers Toolbox will be a place for teachers to get informed or inspired, find ready-to-go learning activities and teaching materials, find the route to a tailored approach and ask for help with educational development related to shaping societal transitions. We are looking for teachers who would like to join us on 3 October in developing this **interactive workspace** for transition-focused education.
